Maxwalton Stamp 2d 414029 chief stock bull is of the Campbell Mina family which has produced so many show animals in the Maxwalton herd. He is conceded to be the greatest sire in the Northwest. His get are noted for their uniformity of type, their thickness and mellowness of flesh, their good heads and their superior quality. His showyard career, while of second importance to his ability as a sire, is nevertheless noteworthy. He was grand champion at the North Dakota State Fair, 1915, and senior champion 1918 and 1919, being defeated for the grand championship at Grand Forks last year by one of his sons.

His sons are making good as sires, while his daughters are proving their value in show and breeding herds. It is very rare that a bull proves an impressive sire of both males and females as does this bull.

Merry Stamp 555855, a Kilblean Beauty, was purchased from Anoka Farms to mate with our Maxwalton Stamp heifers. This development has been most satisfactory. He has a splendid covering of flesh, very smoothly laid on, and has a head and horn that can not be criticized. We have used him considerably in the herd and most of his get have been good roans of exceptional quality.

Merry Stamp was first in his class at the State Fair, 1919, and competed with his stable mate, Maxwalton Stamp 2, for senior championship.

Meadow Brook Sultan—Royal Stamp's first calf out of a grand cow and regular breeder. Both granddam and great grandsire bred by Wm. Duthie. This calf stood first in his class last season, was a member of my famous calf herd group, taking "Get of Sire," "Calf Herd," and "Produce of Cow." This sturdy fellow, I predict, will make Shorthorn history.
